1. Modoc, The tribe that wouldn't die by Modoc descendent Cheewa James

1. The Modoc War, A story of genocide at the Dawn of the Gilded Age by Robert Aquinas McNally

1. Buy the Chief a Cadillac, by Rick Steber, a non native who has roots here. this is a fiction novel that is set in the time of the "Assimilation Policy"

Copper Paladin by Walther H. Palmberg, a non native historian with regional ties ; historian and Oregon Historical Society Member. Written in 1986 this is the earliest published book I found that validates the Modoc Tribe without patronizing the native people.
